

ST. PATRICK'S CEMETERY PRATTSBURGH NY 14873
PATRONS & USERS OF CEMETERY (LOT OWNER) RULES & REGULATIONS

The following rules and regulations have been established to maintain the appearance and dignity of St. Patrick's Cemetery.

Shrubs and Bushes:

Slow growing shrubs and bushes may be planted. Such plantings shall not encroach on other grave sites and shall be in line with (between) the grave markers. If plantings are not maintained and trimmed regularly, they will be removed by cemetery staff.

Trees may only be planted with prior approval from cemetery staff.

Decorations:

Statuary, urns, pots, shepherd hooks, landscape stones, etc., must be within 18" from the front of the headstone.

We discourage the use of Styrofoam items as these degrade quickly and litter the cemetery. Please avoid lightweight, non permanent decorations as they may become wind strewn and become a hazard for mowing and pedestrians.

No glass containers are allowed in the cemetery.

Cemetery is officially closed from December 1 to April 1:

All attempts will be made to accommodate a family regarding burial in winter or during wet ground conditions. So as to avoid damage to other cemetery lots, decision for interment will be at the discretion of the party responsible for opening the grave and the Funeral Director.

However, weather permitting, burials may be made. Any damage to the cemetery by truck or back hoe will be an assessment to the family for repair.

Families are responsible for removal of non permanent seasonal décor. Spring/Summer décor must be removed by December 1; Winter/Christmas décor must be removed by April 1. After these dates caretakers of the cemetery will be allowed to dispose of these items.

Permanent Maintenance:

Included: Mowing, trimming around markers, top soil, grass seed.

Graves:

Graves are open to all Denominations; Catholic and non-Catholic

Prices:

Single Grave Site	\$ 300.00
Three Grave Site	900.00
Six Grave Site	1800.00
Grave openings per burial	300.00
