

Our Lady of the Lakes Catholic Community

Tradition or Conviction?

Our Lord Jesus Christ, before going back to the heavenly Father, gave a mission to the apostles and, therefore, the Church to announce Gospel, “Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age.” (*Matthew 28: 19-20*). Since then, the Church has been preaching the gospel overcoming all the difficulties she had had through history.

We are fruit of this preaching. Our mother, father, friend, teacher, classmate, husband, wife, deacon, or priest talked to us first about Jesus and His wonderful message of love. We are Christians, we are Catholics, we are followers of Jesus because the preaching of the Church; however, do we know really why we are Catholics? Do we follow Jesus by a tradition given to us by our family members or somebody else, or are we Catholics because we have the strong conviction that Jesus is my Lord and my God? Do we really believe that Jesus can do anything for us? If our answer is we are Catholics by tradition, we need to ask the Holy Spirit to enlighten our hearts and minds in order to realize well that Jesus is more than a man who lived many centuries ago, and to start a personal encounter with Him. If our answer is we are Catholics by conviction, we need to be happy because we understand well Jesus is the only one who can save my life and the life of all human beings.

After feeling that we really believe in Jesus Christ and all His power as our Lord and God, we need to demonstrate our conviction in Jesus through our actions in our daily life. To pray, practice the sacraments (especially Reconciliation and Eucharist) works of mercy, and so on are ways we express all our love and faith for Our Lord Jesus Christ.

Let us go out and proclaim the Good News, the Gospel to all people with our words and works (actions) so that everybody can realize that Jesus is more than a name of a man who lived many time ago, but our Lord and savior. We need to be Catholics by conviction, not by tradition.

6th Sunday in Ordinary Time

Introduction

In these politically-charged times, we often question one another's values. We assume we can identify our own, but it is not always easy. At some point, we all need to consider where our faith is rooted and what difference that makes in our life choices. Today's readings address these centuries-old questions quite directly. They matter, because who and what we believe in undergirds every aspect of our lives. What would our personal inventories reveal?
