

St. Theresa's Stanley, NY

St. Michael's Penn Yan, NY

St. Patrick's Prattsburgh, NY

St. Januarius Naples, NY

**A Word from our Pastor:**

I have always loved to garden. There is a picture of my uncle driving a tractor cultivating my relative's field in Penfield, NY. I turned over the plot behind my family's garage *by hand* (and had the blisters to show for it!). In Rochester, I had school children dragging bags of leaves that I composted & a couple of ladies who canned the tomatoes that I grew.

I still grow my plants (seed begonias; marigolds; zinnias; tomatoes, eggplants; peppers; winter squash; cauliflower; brussel sprouts; broccoli; zucchini) all from seed.

There is a joy planting seeds & watching them grow, develop, mature & bear fruit. One of the great joys of being a priest is to marry a couple, having the privilege of baptizing their children & watching them grow each week as they bring them to church; celebrating their First Holy Communion & becoming active members of the parish family.

The readings for the 11<sup>th</sup> Sunday of Ordinary Time (June 16 & 17) speak about growth happening slowly but surely & the parable of the mustard seed, how the Kingdom of God started small but continues to grow & we are asked to let God's love grow with us & to plant seeds of faith & love in others. We may never enjoy that harvest but others will.

What was planted at our worship sites continues to grow & we need to nurture that growth & plant new seeds. We continue to grow as a parish community. This yearly report is a sign of that growth as we work together to grow in the image & likeness of Our Lord. As we strive to come to know, love & serve God, we support, help, encourage & nurture love. Sure, there are setbacks, failures; times of drought & times of too much water, but we still plant, still grow & still bear fruit.

Thank you all for what you do: the labors of love you undertake; the seeds you plant; the caring for others. May the Lord bless us with an abundant harvest!

Rev. Leo Reinhardt

**Our Parish ... by the Numbers:**

The number of Weddings reflects both parishioner weddings, as well as, "Destination Weddings" for couples visiting from outside of the Finger Lakes Region.

**Parish Statistics:**

There is typically an increase in Mass attendance, during the summer months. Although participation increased between the calendar years 2016 and 2017 ... we are seeing a slight decline in 2018. Even at peak numbers, we fall shy of our full potential, given the number of registered families and baptized Catholics within the Parish.

**Faith Formation:**

Our mission is to know, love and serve our amazing God, and then to go out to do the same for His creation. Our Roman Catholic faith is based on God’s Word, the Bible, and tradition, as practiced by Jesus’ first disciples and handed on to us through the centuries. Therefore, Faith Formation/Religious Education seeks to help us grow in our relationship with God and His people, understand the Bible and our faith tradition, live as disciples wherever we find ourselves (home, school, work, community, the world), participate in the life and ministries of the Church, deepen our spiritual life and practices, and engage in service and mission to the world.

For the academic year of 2017-18, a total of 14 families were registered for Family Faith Formation. It consists of a monthly gathering from September through May and weekly assignments. Some activities that drove home the message of the monthly meets were: Jesus, the Tabernacle of our Hearts, Building the Kingdom (with building blocks), Team Jesus (how sports is like our need for each other) and “We are not orphans, thanks to you, Holy Spirit.” Thanks to the generosity of parishioners for our ongoing ability to offer programming that is affordable to our families. Faith Formation is a life-long process, with God revealing to us insights as we are ready to understand and practice them. More people are needed to share their love of God with those who need formation. Please consider saying “yes” when you are asked to share in this ministry.

## Staff Changes:

After four years serving as the Parochial Vicar of Our Lady of the Lakes Parish, we congratulate **Rev. Felicjan** on his new assignment with Blessed Sacrament/St. Boniface & St. Mary's Churches of Rochester. We wish Father Felicjan much success and thank him very much for the spiritual support that he has provided our parish. We will miss his enthusiasm, smile, sense of humor and his occasional outburst of song ... in Polish!

Replacing Fr. Felicjan, please welcome Parochial Vicar, **Rev. Jorge Ramirez**.

Father Jorge is from Medellin, Colombia, where he started his adventure to become a priest for the glory of God and the service of the Church. In the middle and high school Minor Seminary, he started to feel God's call to serve Him through the priesthood.

In his home parish, Nuestra Senora del Carmen, he started to have an active pastoral ministry as an altar boy, catechist of First Communion, Confirmation, RCIA, and music ministry. Through formation in the Minor Seminary and his pastoral ministry in the parish, Fr. Jorge learned he was born to serve the Lord through the priesthood.

He studied philosophical formation in the Major Seminary of Medellin, and after three years decided to leave the seminary temporarily in order to continue his License of Philosophy at the Universidad Pontificia Bolivariana. However, when he was going back to the seminary, his mother passed away (his father died when he was 14), and he had to care for his two younger brothers. Fr Jorge was a philosophy teacher in different schools and colleges of the city, and in 2009 received an invitation from Bishop Clark through Fr. Jim Schwartz to come to the Diocese of Rochester and continue his formation for the priesthood. Becket Hall was a great experience and he was proud to finish his priestly formation at St. Mary's Seminary & University in Baltimore.

*In my prayers I always ask the Lord for the capacity to show His face to each single person who I have contact with in my daily life. The mission of the Church is my own mission. I do not have another one. Therefore, my task is to "go, make disciples of all nations, baptizing them in the name of the Father, and of the Son, and the Holy Spirit" Matt 28:19. This is why I am here. God took me from Columbia so that I could spread His Word to the whole world, especially in the Diocese of Rochester. If you ask me what I want to do in my future ministry as a priest, I surely will answer that I want to share God's message with love in order to make true disciples of Christ. My life should give a real testimony of life because I should always act in persona Christi.*

Fr. Jorge

## Major Accomplishments for the 2017-2018 Fiscal Year:

- Our Lady of the Lakes Parish entered into its second cycle of making **Stewardship** a way of life! Grateful for all that God has given us, we are devoted to giving back our time, talent & treasure. As a way to grow in our relationship with the Lord, we have been invited to tithe time/faith through learning opportunities. Group discussions and presentations centered around spiritual readings; understanding the sacraments; or focused topics, such as bereavement, were suggested. Strengthening our faith by dedicating 1.5 hours per week, to increase our knowledge, is time well spent.
- Visit us On Line! Our Lady of the Lakes created a **New Website!** [www.ourladyofthelakescc.org](http://www.ourladyofthelakescc.org) provides parishioners with up to date information on what is happening within our parish. New features include interactive software allowing easy accessibility. There is a calendar that lists upcoming events, information on sacraments, OLOL Bulletins and pictures of our worship sites. Through the website you can also access "We Share Online". From the home page, click on "Donate to OLOL". You can give to your church, the school, the cemetery or second collections. One time payments or automatic recurring payments can be made by credit card or checking account. Call (315) 536-7459 if you have any questions!  
You can also "Like" our Facebook page [OurLadyoftheLakesCC](https://www.facebook.com/OurLadyoftheLakesCC)
- The **Mass schedule** has been revised. To allow our priests more travel time between Masses, the Sunday morning Mass at St. Theresa's has been changed to 11:15AM. St. Michael's will now only provide a 7:00AM Sunday Mass, between Memorial Day and Labor Day weekends. Our Lady of the Lakes Weekend Mass Schedule is as follows:  
St. Theresa's 11:15AM Sunday ; St. Patrick's 8:00AM Sunday ; St. Januarius 5:00PM Saturday and 10:00AM Sunday ; St. Michael's 5:00PM Saturday and 9:30AM Sunday and 7:00AM Sunday between Memorial Day & Labor Day.
- Congratulations on meeting our **CMA** 2017-2018 goal of \$59,788! Thank you for your generosity! The Catholic Ministries Appeal helps to fund Catholic Charities, Information Technology support for staff members and Religious Education Programs.

## St. Michael School Keeps Rolling Along!

St. Michael School, under the leadership of Principal Tom Flood, concluded another banner year marked by the graduation of 17 fifth graders in a wonderful June graduation ceremony held at St. Michael's Church. The school will begin the 2018-2019 year with approximately 83 students in grades ranging from preschool to fifth grade.

The staff consists of seven teachers, three teacher's aides and three specialty teachers who teach Art, Physical Education (three days a week) and Spanish. St. Michael School is the only school in the area offering foreign language in elementary school.

Last year saw the students and staff very active in the community. An Outlet Trail clean up in conjunction with their Earth Week celebration, students wrote letters and cards throughout the year to many elderly Parish members, they held a canned food drive during the Christmas season, students adopted a classroom in St. Thomas to help them recover from the hurricane that struck their island and the school donated money to local charities during their mission day event to name several of their charitable works.

The school year saw them immersed in their academics as well. In the fall, they completed a Science Fair in grades 2-5 that was highlighted at the Winter Musical Concert. Students in grades 3 and 5 completed a World's Fair project. 4th grade students studied local and state history and completed local history projects. Each grade assisted in Mass held during the school year. A spring concert was held in May highlighting our band, choir and music program. In addition, an art show was held in the church hall showing off the students projects for the year. All grades spent the year developing their writing and speaking skills. Two fifth grade students placed first and third in a Diocesan Oratorical Contest in May to highlight our successful oratorical tradition.

The school is blessed with many businesses, families and individuals in the area and parish who support the school financially, by volunteering and in spirit. In June, "Bike the Bluff" with Father Jack, the Grand Marshal and chief fundraiser, leading the way raised over \$12,000. An annual golf tournament at Lakeside Country Club, serves as a fundraiser, in the month of August. The Turkey Trot 5K is held every Thanksgiving at the school and the Cash Bash is held in the spring. These events and a few others raise over \$100,000 every year to support the school's operating budget. The school deeply appreciates all that the community, parish and its members do to support and keep it an important educational and spiritual opportunity for Penn Yan and Yates County.

### A Spotlight on our Ministries:

Sponsored by the Stewardship Committee, a "Stewardship Fair" was conducted in May of 2017. Booklets were provided with descriptions of (7) overriding Ministries within our parish (Worship Ministry, Faith Formation, Worship Site Support Ministries, Social Ministry, Advisory Committees, Organizations and Office Support). Did you know that there are (62) sub-groups in which you can volunteer your time and talent? The variety of activities, committees and services offer tremendous opportunities for parishioners to get involved in supporting both our parish and our community! There is something for everyone ... for as little or as much time that you have available.

Following, are examples of the good work being performed within just a few of these ministries!

### Martha's Ministry

*"... a woman named Martha welcomed (Jesus) into her house. And she had a sister called Mary, who sat at the Lord's feet and listened to his teaching. But Martha was distracted with much serving. And she went up to Him and said "Lord, do you not care that my sister has left me to serve alone? Tell her then to help me." But the Lord answered her "Martha, Martha, you are anxious and troubled about many things, but one thing is needed. Mary has chosen the good portion, which will not be taken away from her."*

*(Luke 10:38-42)*

Martha's Ministry has been in existence for over twenty-five years at St Michael's Parish.

Martha's Ministry is a group of parishioners who volunteer to provide, after a funeral, a reception in the church hall for the family of the deceased. A luncheon is offered (at no cost) with love from parishioners on the committee and through the donations of others within the parish. We provide food, set up and tear down the tables and chairs, serve the food and clean up afterwards ... allowing the family to focus on "the good portion" ... prioritizing time with God and loved ones.

Should the family, or others, wish to make a donation to Martha's Ministry, it will be gratefully accepted.

We have been blessed with, and thank, the many dedicated volunteers in our parish.

Please contact Margaret Calder @315-536-3532 for further information.

## Social Ministry

The Social Ministry has been called to carry out love for our neighbors. Some of the Social Ministry directives come from the Dioceses and some are driven from needs within our local community.

As an example of a Diocesan event, every year, **Operation Rice Bowl** devotes Lenten prayers, fasting & monetary gifts to help change the lives of those living in poverty. Diocesan provided "Rice Bowls" are distributed in each of our churches. In the bowls, Lenten Calendars guide parishioners through daily reflections, recipes and suggestions for donations. 75% of the gifts donated, are dispersed globally, helping to support agricultural, water & sanitation, health & nutrition and educational projects. 25% of the funds collected are donated toward alleviating hunger & poverty in our local communities. The Living Well, Catholic Charities and the Middlesex Food Pantry have been recipients of the generosity within our parish. In 2018, Our Lady of the Lakes donated nearly \$3500. The event is "kicked off" on Ash Wednesday, with a Coin Collection, that is unique to OLOL. For more information, we thank Nancy Richardson, for her annual coordination.

**Respect Life Month** is October, worldwide. Locally, we link our support to the Care Net organization. This is a Christian organization which supports and assists local families and individuals with unplanned pregnancies. Baby Bottles are distributed in all of our worship sites. St Patrick's supports the Pregnancy Resource Center in Bath, while St Jan's and St Theresa's support the Care Net facility in Canandaigua. St Michael's provides donations to the office in Penn Yan. Bottles are filled with coins or other monetary contributions. Bottles are given, along with a letter, thanking Care Net for carrying out our gospel call to serve our neighbor. The Knights of Columbus and Catholic Daughters have also become very active creating ways to support these pro birth groups via yard sales, baby showers, sponsored breakfasts and monetary donations. In 2018 the Baby Bottle drive raised \$1458. We thank all of our parishioners!

These are only two examples of many initiatives within the Social Ministry, answering the call to help our neighbors. Sharon Tyo, from St. Patrick's, leads a group that creates "kits" to help the homeless. In November, "Warm Hands / Warm Hearts", a parish wide initiative, collects socks, mittens & hats for the homeless. Drivers volunteer to help transport parishioners to Mass, in Penn Yan. Gifts for the home bound are provided at Christmas, through the coordination of Giving Trees.

**Additional help is welcomed!** If you would like to get involved with the many facets of our Social Ministry, please contact Anne Meyer-Wilber for more information.

## Worship Site Support Ministries – St. Januarius

In conjunction with the Naples Grape Festival, a **Yard Sale** takes place, on the grounds of St. Januarius, with proceeds benefiting OLOL Parish. The idea for the Yard Sale began over 15 years ago, by Veronica Weiland, a parishioner of the St. Januarius worship site. Donations for the yard sale come from both parishioners, as well as, from the community. After many months of planning, hard work and fun, efforts in 2017 paid off big! Over \$11,000 was raised for Our Lady of the Lakes! Our "thanks" go out to the many dedicated volunteers!

Funds raised are the combined income from the Yard Sale, Bake Sale, Hot Dog/Sausage Sale and Parking Fees. This annual fund raiser is a huge success! The festival for 2018 took place on September 29th-30th.

If you would like to contribute, the Yard Sale accepts gently used furniture and household items (with the exception of clothing & electronics). Please contact Patsy Lentz at St. Januarius. She can be reached at (585) 374-2414 on Monday, Wednesday and Friday from 8:30AM – 1:30PM.

St. Januarius parishioners also host a "**Free Will Offering**" Thanksgiving Dinner. This dinner is open to the community. In 2017, over 250 dinners were served, thanks to the many volunteers who cooked, set tables, served and cleaned up. All of the food was donated by parishioners and families in the community. In addition to food items, over \$350 in monetary donations were given to the Food Cupboard.

## Organizations

Faith, Family and Fraternity make up the foundation upon which the **Knights of Columbus** stands. It was founded in 1882 and is made up of a group of practicing Catholic laymen, age 18 and older. The Penn Yan Council was chartered in 1992. The Council provides financial assistance to Our Lady of the Lakes Parish, St. Michael's Catholic School, Milly's Pantry, Camp Koinania, Christmas for the Needy and our Seminarian, among others. This assistance is made possible through Monthly Pancake Breakfasts and an Annual Chicken Barbecue.

Similarly, for Catholic women, age 18 or older, the **Catholic Daughters** of the Americas (CDA) was founded, in 1903. Court St. Michael #1173 (founded in 1931) invites women interested in camaraderie and fundraising! Through Annual Bake Sales and Candy Sales, money is raised to support St. Michael's School, Penn Yan Academy Operation Graduation, Milly's Pantry Backpack Program, and the Finger Lakes Health Foundation. In addition, Annual Baby Showers are held collecting, much needed and appreciated, goods for the Care Net Pregnancy Center. To learn more about these organizations, please contact Lou Tyrrell, for the Knights of Columbus or Deb Thurling, for the Catholic Daughters.

## Parish Pastoral Council Message:

The Parish Council is a vibrant, 15 member committee representing all 4 worship sites. It is their monthly discussions which guide the pastor in his decision making process. This Council strives to achieve consensual agreement on recommendations that affect future directions for the spiritual growth and pastoral activity.

There have been many initiatives over the last few years, which include:

- Facilitation of a Parish Survey
- Updating the Parish Census
- Formation of Small Lenten groups
- Activities during the Diocesan Year of Eucharist and Year of Mercy
- Ongoing projects and direction of the Stewardship Committee

The Parish Council maintains a continual commitment to represent all parishioners to the best of our ability. Please reach out to any member if you would like to join us, have a suggestion, or would like to voice a concern.

## Finance Summary:

### 2018 fiscal Year Results (excluding school)

The year ended June 30, 2018 finishing with a modest \$15K net positive earning from operations. Revenue increased by 4% to \$583K with a small decrease in total in attendance. Revenues exceeded budget by \$10K. Collections were 89% of the total, gifts and donations 4%, fundraising 3%, and 3% "other" contributing the remainder. The generosity of several donors is noteworthy and very much appreciated.

Operating expenses for the year came in at \$569K representing a favorable variance to budget of \$41K. The variance was achieved primarily through reductions in payroll and health benefits. Personnel costs are 61% of the costs followed by insurance 20%, utilities 5% and school subsidy 4%. Ministry support, buildings repair and maintenance each represented 3% of the cost.

### 2019 Forecast (excluding school)

With a "thank you" to the Stewardship Committee, we have incorporated a small increase in collections for the coming year. Total revenues are budgeted at \$578K, which is a -\$5K decrease due to not anticipating the extraordinary donations received last year. Expenses are projected to be \$602K, an increase of 6%. Personnel costs are driving the increase, led by health insurance which will increase by 15%, and a recent properties re-assessment will increase insurance cost by \$5K. The forecast, without extraordinary gifts and donations, is a Net Revenue/(Loss) of -\$24 K for the coming fiscal year.

### St. Michael's School 2018 Results

The school finished the year with an operating deficit of -\$39K. The same total as the prior year. The deficits for both years were more than offset, with generous donations which are accounted for as non operating income. The parish continues to fund annual deficits when needed with a cumulative amount of \$219K over a many year timeframe. Total operating revenue was \$573K, including gifts and donations of \$107K. Tuition receipts of \$195K were 23% of the total, with the remainder being made up of Adopt-A Student funds, fundraising, parish subsidy and donations. Operating costs totaled \$611K, with personnel cost accounting for 80% of the total. An extraordinary expense of \$20K was incurred for the purchase of a new English Language Arts (ELA) curriculum.

### St. Michael's School 2019 Forecast

The forecast operating revenue of \$513K is a decline of -\$61K due primarily to a one time, large donation (non repeating). Expenses for 2019 will decline slightly to \$604K. The ELA curriculum was purchased in 2018 and will not re-occur. Personnel costs will increase by 3%. The revenue decrease is driving a forecasted operating deficit of -\$93K. The forecast does not include significant donations. These are not budgeted and are accounted for as non-operating revenue when received.

On the next page, the complete Financial Summary has been provided. If you have any questions, please do not hesitate to contact Gary Pierce, our OLOL Parish Business Manager at [Gary.Pierce@dor.org](mailto:Gary.Pierce@dor.org), or any member of the Finance Committee.

Thank you for your continued support.

## Our Lady of the Lakes Financial Summary
