

Our Lady of the Lakes Catholic Community

*We come together in our common faith as God's Holy People.
Strengthened by the Word of God and His sacraments,
we go forth in faith to love and serve one another.*

A minister was leading a Bible study group in a women's prison. At one point, a young indigenous woman spoke up. She leaned forward with tears in her eyes and said: "Can I ask a question? I don't know how to say it, but I really wanna know. How do I get 'unstuck'? I'm so tired of making the same mistakes, going back to the same people and problems . . . I don't know . . . I guess I just wanna know how to get 'unstuck.'"

Her words dripped with urgency, longing, dread and pain.

The minister and volunteers leading the group bumbled toward a response, acknowledging how hard it was to break out of patterns of addiction and abuse and dysfunctional relationships and poverty, but that God is "present in the journey."

The minister leading the group later reflected:

"I suspect that even as I grieved for the specific ways in which this young woman was stuck, I was recognizing myself and many of my peers in her words. I suspect we all get to a certain point in life where the word stuck can easily creep into our vocabulary. Passion for the job seems more elusive, the sizzle of a marriage wanes, faith seems more remote and inaccessible. In whatever domain of life, we settle into familiar and predictable rhythms. We realize that there are things about our lives, our communities, our world that are rather hard to change . . . I thought of all these things as I drove home from the jail. I thought about how it's not just individuals who get stuck, but relationships, businesses, churches, institutions, even cultures. And I prayed. For all who feel stuck and for all the ways in which we need to get unstuck to live the lives we were created for."

[Ryan Dueck, writing on the CCBlogs network, June 13, 2019.]

The season of Lent is a call to become "unstuck": to discern those areas of our lives that have become "stuck" in self-centeredness, monotony, hopelessness and isolation. During these forty days of Lent, the Spirit of God leads us to rediscover the presence of God in our lives, to walk with Jesus in the landscape of the heart. May Jesus' spirit of compassion and his light of wisdom enable us to get "unstuck" in order to live our lives in the fullness of God's grace.

On March 1, we send off our two **Rite of Christian Initiation of Adults**, Shannon & Bridgitte, at Sunday's 9:30 Mass at St. Michael's. Later that day they will be enrolled in the Rite of Election with Bishop Matano. Please keep them and the team of volunteers helping to form them in your prayers. Thank you!

The schedule of Mass intentions is subject to change and there is no promise that they will be said on the scheduled day due to priest illness, schedule change, vacations, etc. Attempts will be made to contact the concerned parties ahead of time, but that is not always possible.

In Pope Benedict's Address to Catholic Educators in 2008, he asked teachers to consider if faith was tangible in our schools. Is faith "given fervent expression liturgically,

sacramentally, through prayer, acts of charity, a concern for justice, and respect for God's creation. I would argue that not only are these tangible at St. Michael School but they are the daily teachings and practices at St. Michael School. Students participate in daily religion practices as outlined by the Diocese of Rochester. Students participate in the receiving of ashes on Ash Wednesday and participation in Stations and the Rosary. Students and families are encouraged to act as Stewards of the Church and get involved in Parish Ministries. Students are also supported in raising awareness for global and local issues, fundraising, and participating in community activities that support those in a variety of needs. Student model daily their respect for all of God's creations. Join us in prayers for all who are celebrating sacraments this Lenten season, especially the students of St. Michael School as we continue to make faith tangible for all students.

HOW IS MY CONTRIBUTION USED?

When you give to the Catholic Ministries Appeal, you are really giving to the eager children hungry to learn about the faith of their parents and generations of Catholics. You are giving to the dedicated young seminarian learning to serve God and the Church, or the older priest who has served faithfully and needs retirement support.

You are giving to help the Vatican in its work in the world and to the bishops for ministries that span our nation. Your money goes to help the vital work of Catholic Charities, to families just like yours whose faith sees them through the ever-growing stress of life.

And you give "locally" - more than half of every dollar raised returns to your parish in the form of services and programming that your parish would have a difficult time providing on its own. ***All funds raised in the CMA are only used for the programs, services and ministries for which they are designated. No gifts to the CMA are used to satisfy legal fee or costs associated with abuse.***

The OLOL Social Ministry Committee invites you to participate in Catholic Relief Services **Lenten Rice Bowl Program** again this year. During your 40

Day Lenten Journey please take a rice bowl and use the enclosed calendar to enrich your journey with this faith-in-action activity. Rice bowls will be available at all worship sites next weekend and again on Ash Wednesday.

Lenten Lunches sponsored by the PY Council of Churches **begin Feb 27th** at the Baptist Church on Main St Penn Yan ...Each Thursday at noon during Lent all are welcome for a catered meal from the Wagner restaurant at noon. Local priests/clergy will share a lesson on one of Jesus' characteristics i.e. compassion, forgiveness etc. All are welcome as we share a meal for body and soul. cost \$7.

Counters needed at all Our Lady of the Lakes sites. Would you be available to donate some of your time after Sunday Mass? For further information please contact the Parish office.

LOL's Social Ministry Team asks you to remember and support those in our surrounding community and their daily needs.

Cleaning out closets? remember the Once Again shop in Penn Yan and The Friendship House and Naples' Open Closet. A special request has been made of the St. Patrick's family to assist with laundry expenses for subsidized housing residents in the area. Tide laundry pods will help those with few resources care for what they own.

Due to cuts have been made to the SNAP benefit (food stamp) program our local food pantries now require more support in goods and volunteers. Thank you for your commitment to our worship community and to working miracles in the lives of others!

How can the spread of the influenza virus be prevented? The single best way to prevent the flu is to get vaccinated each fall. It is also helpful to avoid close contact with people who are sick.

- ◆ If you are sick, do not worsen your illness by trying to get to church, and do not put others at risk of catching your illness. It is not sinful to miss Mass if you are sick; it is an act of charity. If your children are sick, keep them home from Mass, religious education, or youth ministry meetings. If you are seriously ill, the Church wants to celebrate with you the Sacrament of the Anointing of the Sick. You can arrange for this by contacting your parish office.
- ◆ Don't cough or sneeze into your hands. Use a tissue to cover your mouth and nose when you cough or sneeze, then throw it away. If you don't have a tissue handy, do what school children are taught to do: cough or sneeze into your shirt sleeve and avoid touching the area of fabric you coughed into.
- ◆ Wash your hands often. Soap, water, and a good scrubbing are the best defense against the cold and flu viruses. Scrub your hands with soap and water for at least 20 seconds. If you are not near soap and water, use an alcohol-based hand sanitizer or disposable hand wipe. Keep a small bottle or packet in your purse or pocket.
- ◆ Avoid shaking hands with others before, during, and after Mass if you are sick or have been in direct contact with someone who is sick. At the Sign of Peace, offer a smile or a wave or a simple bow of the head to those around you. If you have come in direct contact with someone who has been sneezing or coughing, avoid touching your eyes, nose, or mouth with your hands until you can wash them, since germs can spread when we touch our eyes, nose, or mouth. Respect should be given to individuals who refrain from sharing a handshake at the Sign of Peace. This is at the discretion of each individual person.
- ◆ Refrain from receiving Communion on the tongue or from the Cup if you are sick. The sign of Communion is more complete when receiving under both kinds, but receiving both is not required.

Grandma's kitchen is set up in PYA after school (2:20-2:55) for all High School kids who are hungry on Tuesday and Thursday during the winter months... St. Michael's dates to prepare and serve are **March 3,17 and April 2**. Are you interested in helping feed our hungry neighbors? Could you make a crockpot of food? Bake some cookies? Help serve? Details: call Anne 315-536-2691... thanks for helping our social ministry team feed our kids!

“The Diocese of Rochester was deeply saddened to learn that **Bishop Matthew H. Clark**, our Bishop Emeritus, has been diagnosed with early-stage Alzheimer's disease. We ask that

the faithful pray for Bishop Clark and for all those who suffer with Alzheimer's, for their caregivers, and for all those medical professionals and organizations working to enhance care and treatment. Bishop Clark hopes to continue his ministry in the diocese.”
