Pope Francis proclaims “Year of St Joseph”

With the Apostolic Letter “Patris corde” (“With a Father’s Heart”), Pope Francis recalls the 150th anniversary of the declaration of Saint Joseph as Patron of the Universal Church. To mark the occasion, the Holy Father has proclaimed a “Year of Saint Joseph” from today, 8 December 2020, to 8 December 2021.

By Vatican News

Is St. Joseph Pro-Life?

“ The angel had warned him [St. Joseph] to flee with the child, because he was threatened by mortal danger. From the Gospel we learn about those who were threatening the child’s life. In the first place Herod, but also all of his [Herod’s] followers. Joseph of Nazareth, who saved Jesus from the cruelty of Herod, is shown to us in this moment as a great supporter of the cause of the defense of human life, from the first moment of conception to natural death. In this place therefore, we wish to commend human life to Divine Providence and to St. Joseph, especially the life of children not yet born, in our homeland and throughout the world.”

St. Pope John Paul II, *Homily at the shrine of St. Joseph in Kalisz, Poland*, June 4, 1997

Want to learn more about St. Joseph? Want to know more about why God chose St. Joseph to be father and protector of the Holy Family?

A good place to start would be with a new book written by Fr. Donald H. Calloway, MIC entitled “*Consecration to St. Joseph The Wonders of our Spiritual Father*” With the help of Fr. Calloway, Saints and Popes you can learn through the format of a 33 day consecration about the life and spirituality of St. Joseph. In this time of uncertainty in our country with the covid pandemic, the culture of death prevalent and our religious liberty in peril, this is a profound way to enhance your spiritual life and will make an awesome book for group study. How about it Catholic Daughters?

If you are an avid reader and like to explore on your own, the website of The Roman Catholic Diocese of Charlotte for an extremely thorough list of resources from a coloring page for kids to encyclicals from many Popes through the years. [https://
yearofstjoseph.org/resources/](https://yearofstjoseph.org/resources/) You can also explore the Vatican News or EWTN or Vatican.va, the official website of the Holy See for more on St. Joseph.

Perhaps you might foster a love of St. Joseph by finding a prayer card, tape it to your bathroom mirror and read it daily as you get yourself prepared for the day ahead.

What ever you can do to know more about St. Joseph, protector of the universal church will enlighten and nourish your spiritual life and in these times of daily trials and challenges, no better defender can we find in St. Joseph.

Peace be with you all in this New Year, Deacon Tim

SACRAMENT OF RECONCILIATION
SATURDAYS AT ST. MICHAEL'S
 St. Michael's chapel from 4 – 4:30 PM. Please enter through the sacristy door & sit in the chairs provided.
 Social distancing & masks are required.

After studying the Mass attendance for the past several months and comparing attendance during the winter months to previous “non covid” years, it has been decided that attendance is not expected to go over Covid Occupancy Limitations and distancing guidelines during our winter Masses.

The decision has been made to temporarily suspend our Mass Sign Up protocol.

We are confident that with the reduced attendance due to Covid Safety Concerns and precautions, combined with a large number of snow birds that are away, that we can suspend sign ups until further review. We will still follow NY State safety guidelines and require mask usage and social distancing at all services.

If you have any questions please contact the parish office at 315-536-7459.

REMEMBER, IF YOU ARE AT RISK, YOU ARE NOT UNDER OBLIGATION to ATTEND MASS.

In light of a recent [U.S. Supreme Court](#) decision, the [Diocese of Rochester](#) has issued updated guidelines to parishes regarding seating restrictions for Masses at its worship sites.

According to guidelines - churches in red zones - as designated by NY state officials - may hold liturgies with congregations totaling no more than 25 percent of the churches' maximum head-count capacities. Attendance at liturgies celebrated in orange zones is capped at 33 percent capacity, and the limit for worship sites in yellow zones or undesignated (no zone) areas is 50 percent.

The diocesan statement noted that these limits are the result of "consultation with the NY State Catholic Conference and our legal counsel."

The diocesan statement added that "it is absolutely vital that our parishes continue all efforts associated with cleaning of public spaces, hygiene, wearing of masks, social distancing, and the diocesan liturgical guidelines which still remain in effect."

From the Grapevine Express:

Covid-19 Vaccine Information for Senior Medicare patrol:

We know that Covid-19 vaccine fraud will move very quickly, very soon, and will take many forms. Scammers rapidly alter their tactics and adapt their schemes to the changing landscape, and we anticipate that they will leverage the pending Covid-19 vaccine to prey on unsuspecting beneficiaries. At this point, it is essential that we alert the public of likely schemes and provide them with information on how they can protect themselves.

- ◆ You likely will not need to pay anything out of pocket to get the vaccine during this public health emergency.
- ◆ You cannot pay to put your name on a list to get the vaccine.
- ◆ No one from Medicare or the Health Department will contact you.
- ◆ No one from a vaccine distribution site or health care payer, like a private insurance company, will call you asking for your Social Security number or your credit card or bank account information to sign you up to get the vaccine.

Beware of providers offering other products, treatments, or medicines to prevent the virus. Check with your local health care provider before paying for or receiving any Covid-19 related treatment.

If you get a call, text, email - or even someone knocking on your door - claiming that they can get you early access to the vaccine, STOP!!!

That is a scam.
