If there is any benefit from this pandemic, it may be a greater appreciation for all those things that we had just assumed would always be there. For example, consider Lent. Yes, Lent. Although Lent is a season of penance, it is also a season where we gather together in someone's house for Lenten small group discussions, which are often followed by an evening cup of coffee and dessert. It is also the season where we gather together at the different worship sites throughout our parish for fellowship, soup suppers, and Stations of the Cross on cold Friday evenings. When you start looking at this aspect of Lent, it hardly seems like penance. But, sadly, COVID, for the moment at least, has taken these activities away.

Zoom Meeting

Fortunately, modern technology gives us an option, which is certainly less than ideal, but nonetheless a reasonable substitute for our in person Lenten small group meetings. You have probably already guessed that I'm eluding to using ZOOM as a substitute for our in-person Lenten meeting. Since I teach, I have used ZOOM with my students since last March, and I can honestly say that the technology is reliable and easy to use. So, now the only question is how to proceed?

Luckily, Fr. Leo has found a 7 week Lenten program from Boston College called *Faith Feeds*. The seven topics for the program are quite appropriately: baptism, care for the poor, forgiveness, hope, prayer, suffering, and gratitude. Fr. Leo has asked deacon Tim and me to lead two of the ZOOM Lenten small groups. There will be other ZOOM small groups as well. So, if you are interested in joining my ZOOM small group Lenten please e-mail me at loucks@alfred.edu, and I will send you, via e-mail, the program for the first week's discussion. I'm planning on our meeting lasting about an hour. When you e-mail me, please let me know which night and time you would prefer. Right now, I'm thinking Wednesday evening starting around 6:30pm, BUT this may change depending on everyone's schedule.

Even if you are unable to attend my small group, please consider joining one of the other small groups. COVID has separated us from one another, but even though we can't meet in person, we can at least meet via ZOOM and see and hear one another during one of the most important seasons in the liturgical year.

Yours in Christ,

Deacon Roger

St. Michael School will be joining the Nation as we celebrate **Catholic Schools Week** from Sunday January 31, 2021- February 6, 2021. Students and staff will be participating in a variety of activities that celebrate the dedication of Catholic Schools in the areas of Faith, Excellence, and Service. Student will be collecting soup throughout the week to support, "The Living Well" and culminating the week with a "Soup"er Bowl Friday celebration where students can show pride by dressing down in their favorite sports team clothing. The students will begin the week by celebrating a school-wide Mass on Monday February 1st. Students will also participate in a wide variety of activities recognizing our communities, families, volunteers, and supporters. We will also be recognizing the hard work and dedication of our students with a special surprise trip to the bowling alley. Special arrangements have been made for small groups of students to safely participate in this traditional activity throughout the week. We will end the week with celebrating our families. How better to wrap-up Catholic Schools week then to take some time to appreciate the sacrifices families must make for Catholic education to be possible. We cannot wait to share pictures of our exciting week with everyone!

Our parish has been using an **Online Giving** system that is strengthening stewardship as well as making it easier for members to support our parish. Some of the benefits for the parishioner include: no need to write checks; you can give even if you are unable to attend services; and your contribution amount can easily be adjusted.

The benefits for the parish include: no check processing fees; more consistent giving with recurring contributions; online donation summaries for record keeping; reaches a wider demographic of givers; and accommodates all special parish collections and missions. Those who wish to continue to use traditional methods of offering may do so, however, we ask that you prayerfully consider Online Giving. If you would like to sign up, look for the article in the bulletin that includes our parish's Online Giving Web site address. If you have any questions about the program or about setting up your account, please don't hesitate to call the parish office. Thank you.

PUBLIC POLICY ADVOCACY WEEKEND

February 13/14, 2021

Advocacy Issue: Funding for NOURISH NEW YORK initiative

NOURISH NEW YORK is a New York State initiative that provides funding to Food Banks to purchase New York State-produced farm products. This accomplishes two goals: it offers market support to farmers, the fishing community, and food processors who have been impacted by the economic effects of the pandemic, while getting high-quality food to individuals and families across the state who are struggling to put food on their tables. The initiative provided \$35 million in funding from May 1 to December 31, 2020. 4,152 farms have provided over 17 million pounds of high-quality New York-produced food to New Yorkers in need. You can help keep this good work going by signing our Public Policy petition at www.dor.org/petition/ anytime between now and February 14. And please share it with others!
