

**A Systems of Care in Yates County**

**NYS Systems of Care (SOC) Framework**

**SOC Definition**

A coordinated network of community-based services and supports organized to meet the physical, mental, social, emotional, educational, and developmental needs of children and their families

**SOC Goal**

Improve service delivery and expand access to services for children, youth, young adults, and families

**SOC Core Values**

- ✓ Services are provided in a way that is respectful to an individual's cultural values, preferences, and language
- ✓ Services are based on the needs of the community and provided within the community
- ✓ Services are tailored to the unique needs of the child and family
- ✓ Service providers recognize youth and families as partners in planning and delivery of services
- ✓ Service, supports, and education are built around evidence-based practices to promote positive outcomes

Substance Abuse and Mental Health Services Administration (SAMHSA)

**Yates INSYGHT:**

**Who are we?? What are we doing??**

Yates County was awarded a 4-year grant, funded by SAMHSA, to implement the SOC framework in our community

We are Yates INSYGHT! An integrated system, made up of agencies serving Yates County, committed to give youth and families the support they need

Through INSYGHT, the various providers within Yates County are given the opportunity to come together, communicate and identify the specific needs of our community, and work as a team to remove gaps in care and barriers to overall health and wellness

**Where you might see us in the community**

**Yates County Community Assessment**

INSYGH T has partnered with AspireHope NY to conduct a county wide assessment aimed to identify the specific service needs in Yates County and drive our efforts to act on behalf of these needs

**Community Training & Education**

INSYGH T has committed to provide ongoing training and education to supports, providers, and families throughout Yates County

**School-Embedded Supports**

INSYGH T has partnered with Pathways Inc. and Dundee and Penn Yan school districts to provide intensive Wraparound Care Management services and Behavioral Intervention approaches to care

**Community Site Locations**

INSYGH T has partnered with both The Living Well Mission and Our Town Rocks to develop a "one-stop" location for ongoing support and service linkage
