Wednesday - Noon

This weekend we “celebrate” the unofficial end of summer –Labor Day. Labor Day dates back to 1882, when 13 men were killed and 57 were wounded by participating in a strike against the Pullman Palace Car Company, during one of our country’s depressions. The company cut wages to workers already suffering economically. The strike fueled unionized work opportunities. Today, the holiday pays tribute to the contributions and achievements of everyday working families, giving them one additional day of rest on the first Monday of September.

This holiday affirms the Dignity of Work and the Rights of Workers, one of the seven principles of Catholic Social Teaching. The principle states that there is inherent dignity in work and that work exists for people, not the opposite. A short video helping us understand this better can be found at <https://www.youtube.com/watch?v=txH7G1RkD8I>. (Got teens in the home? This short video speaks to them and explains all the principles: <https://www.youtube.com/watch?v=5SVDhKVfm8>.)

Also this weekend, our readings refer to the Theological Virtues of Faith, Hope & Love.

Theology is the study of God. Some may say, “It’s been a long time since I was in Religious Ed.” Perhaps true. However, in the Catechism it says we are made by God for God. God desires and delights in a relationship with us. Are we giving God the chance to have that relationship? It can be developed through prayer, study and action. It takes a willing heart, a desire to change and grow and the support of each other, the community of believers.

Our parish has made an investment in our opportunity to learn more about God and His bride, The Church, and to grow as a parish by purchasing a 1 year subscription to “FORMED, The Catholic Faith On Demand.” Access it for free on your computer, tablet, smart phone (Apple & Android) or on Roku TV. To sign in for the many videos, podcasts, Bible studies and more go to <http://signup.formed.org/>. Enter our parish zip code (14527). Enter your name and email. You are in!

There is a series of videos called “The Search.” It asks the pivotal questions: “What do you seek?” “Who Are You?” “Why a God?” “What’s Our Story?” “Who Is Jesus?” “Am I Saved?” and “Why A Church?” Begin with them on your own. Share the sign-in opportunity with others (non-Catholics, too). A calendar is still in development that will offer discussion opportunities for “The Search” and other programs offered through Formed. Look for notices these through our usual communication channels (bulletin announcements, Facebook posts, emails), or call requesting information.

When we learn more about God, we learn of his great love and mercy. We develop that relationship God desires for each of us through learning, prayer and service. Like at Mass, these actions changes us, forming us into Jesus’ disciples – so needed in today’s world. God bless us all!

Patty

Now is the time! **Pope Francis is challenging us** to publicly commit to a seven-year journey of ecological conversion. He outlined his thoughts in his 2015 encyclical letter, "Laudato Si', On the Care of Our Common Home." Have you read it yet? Let's read and discuss it together! Then using the [action platform](#), we can see elements of the plan, pray for discernment of how to implement the plan and begin reaching the goals of the plan. The goals of the plan "support a spiritual and cultural revolution as we strive for total sustainability in the spirit of integral ecology." Contact Patty at the Parish Center to express your interest.

Mk 7:31-37: People brought to Jesus a man who could not hear and did not speak well. Jesus looked up to heaven and said, “Ephphatha!” which means, “Be opened!” And the man was healed!

Name some things God has done that make you say, “Wow!”

Our parish now has a subscription to FORMED, a premier online platform filled with over 4,000 Catholic studies, movies, audio dramas, talks, e-books, and even cartoons for our children. FORMED has content from over 60 apostolates, including Augustine Institute, Ignatius Press, and the Knights of Columbus, with material that is professionally produced, engaging, and solid in its catechism. Best of all, this material is free to you.

Our parish will be using the material on FORMED to support our ministries and provide continuing education for staff members and parishioners, as well as outreach for our sick and homebound members. Much of FORMED’s content is available in both English and Spanish.

You have easy access to all of the material on FORMED to support your own faith journey and that of your family members.

Thanks to everyone who helped the earth by disposing of their hazardous waste at Yates County's collection last Saturday. What more can we do? Consider purchasing items in paper or cardboard. What about composting? What about purchasing more sustainable products sourced from raw materials like bamboo and sugar cane? Every little bit helps!

If you need food, a “pop-up” pantry will happen on 9/10 from 10-11:30 AM at the Town of Starkey Highway Barn, 656 Dundee-Glenora Rd., Dundee. No registration required for this event. Have your trunk ready to receive food and stay in your car. Questions? Call 315-279-4321.

Next Saturday marks the **20th anniversary of 9/11/2002**. All first responders who so selflessly serve our community, and all who served with courage in the tragic events of September 11, 2001, especially those who gave their lives or were injured will be prayed for at an anniversary Mass with Bishop Matano. 4 PM at Sacred Heart Cathedral, Rochester.

In just 2 weeks our US Catholic Bishops and diocese will ask for our generosity to the collection for **The Campaign for Human Development**. Its aim is to help the 38 million people in the United States who live in poverty. Funds collected go to programs that empower local communities to address the challenges they face, identifying and addressing their unique obstacles as they work to lift themselves out of poverty. 25% of the funds collected remain in our diocese to fund local anti-poverty projects. Here is a video link to show you what local groups have benefited in the past: <https://www.youtube.com/watch?v=ulWmFTJwOI> By supporting this collection, you are giving those on the margins a hand up, not a handout. Please be generous.

MISSALETTES BECOMING HYMNALS

Beginning with the new Liturgical Year (November 28th, the First Sunday of Advent) all worship sites will be transitioning to a hardbound hymnal that contains the weekend readings for all 3 cycles of the Liturgical Year.

This will save us from having to change the missalettes each year. Cost-wise there is more of an initial expense but after 3 years they will have paid for themselves.

When I did this transition in another parish, parishioners had an opportunity to donate the cost of a hymnal & a name plate was placed in the front of the hymnal. The donation requested is \$20 per hymnal. If you are interested, please fill out the form below, place it in an envelope & drop it into the collection container.

When the hymnals are placed at the worship sites, they are the property of the parish & **ARE NOT TO BE TAKEN FROM THE WORSHIP SITE**. With the Missalettes sometimes people “borrowed” one for themselves or for a homebound parishioner.

Thank you for your assistance & cooperation on this issue.

Fr. Leo

I would like to donate\$_____ to help with the purchase of the new hymnals.
