A PRAYER TO "GROW UP" TO THIS CHRISTMAS

A Christmas Season wish for all comes from the late Yale University chaplain and peace activist William Sloane Coffin, in his memoir Credo:

"All saving ideas are born small. God comes to earth as a child so that we can finally grow up, which means we can stop blaming God for being absent when we ourselves were not present, stop blaming God for the ills of the world as if we had been laboring to cure them, and stop making God responsible for all the thinking and doing we should be undertaking on our own.

"I've said it before and will probably say it many times again: God provides minimum protection, maximum support — support to help us grow up, to stretch our minds and hearts until they are as wide as God's universe. God doesn't want us narrow-minded, priggish and subservient, but joyful and loving, as free for one another as God's love was freely poured out for us at Christmas in that babe in the manger."

May we find this Christmas at the manger of the Christ the wisdom and courage to "grow up" in God's love in 2022.

THE SYNOD IS UNDERWAY

"The purpose of the Synod is not to produce documents but "to plant dreams, draw forth prophecies & visions, allow hope to be nourished, inspire trust, bind wounds, weave together relationships, awaken a dawn of hope, learn from one another, & create a bright resourcefulness that will enlighten minds, warm hearts, give strength to our hands." (Preparatory Document, 32)

Pope Francis has called for a synodal Church. There are 3 phases to the process: a parish phase from Nov. 2021-Mar.31st, 2022; a diocesan phase from April 1 – June 30, 2022 & the third phase ending with the Synod of Bishops in Rome in Oct. 2023.

I would encourage you to go the diocesan website : www.dor.org/synod for a full description of the process.

The Prayer of the Synod

attributed to St. Isidore of Seville

We stand before You, Holy Spirit,
as we gather together in your name.

With You alone to guide us,
make Yourself at home in our heart;

Teach us the way we must go
and how we are to pursue it.

We are weak and sinful;
do not let us promote disorder.

Do not let ignorance lead us down the wrong path
nor partiality influence our actions.

Let us find in You our unity
so that we may journey together to eternal life
And not stray from the way of truth
and what is right.

All this we ask of You,
who are at work in every place and time,
in the communion of the Father and the Son,
forever and ever. *Amen.*

Military Funding VS the Build Back Better plan. Let this graphic sink in.

It is reported that approximately half of the \$700+ billion dollars go to contractors, not to actually providing living wages to our soldiers and their families. This is more than last year and we are not even at war with any nation! The BBB will support individuals with disabilities, families, alleviate hunger, protect life, support workforce development/job training, health care, employee retention, education, immigration reform and charitable giving. International Human Rights Day was 12/10. The US Sisters Against Human Trafficking are working to end Human trafficking and need our help. They urge us to sign a letter to our US Representatives, asking them to sponsor the Frederick Douglass Trafficking Victim Prevention and Protection Reauthorization Act of 2021 ([TVPRA](#)) [HR 5150 bill](#). The bill will reauthorize vital programs to enhance successful programs like prevention of online child trafficking, strengthen laws to convict sex traffickers domestically and internationally, protect victims and witnesses during investigations, provide restitution for survivors, prevent unfair sentencing of youthful offenders who were victims of trafficking, and provide stricter sanctions for countries on Tier 3 of the Trafficking in Persons (TIP) Report. There are other provisions, as well. For your convenience sign the letter by going to <https://sistersagainsttrafficking.salsalabs.org/TVPRAReauthorization/index.html>
